FACTORY-DIRECT SUPPLY AT APES THIS JULY

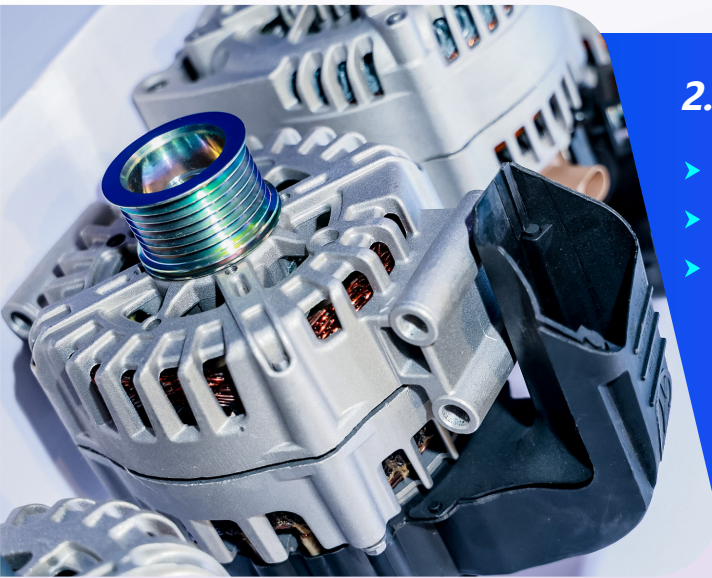

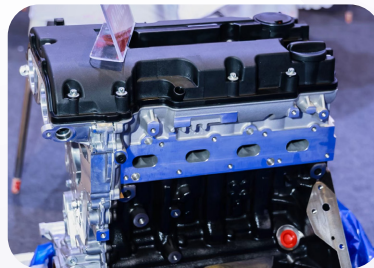

Exhibit Profile

Skip the middlemen and connect directly with the source. Organized by Huamo Expo, APES 2026 (formerly Huamo Auto Parts Show) is the strategic gateway to China's most competitive manufacturing clusters.

Themed Exhibition Zones

1. Core Components & Chassis Zone

- ▶ Body & Structure: Exterior & Interior Trim, Body Accessories, and Structural Components.
- ▶ Chassis & Suspension: Transmission Systems, Running Systems, Steering Systems, and Braking Systems.
- ▶ Engine Systems: Engine Assembly, Lubrication, Cooling, Fuel & Burning, Ignition, Intake/Exhaust, and Timing Systems.
- ▶ Transmission Systems: Gear Assemblies, Gear Trains, Shift Control, Hydraulic Control, and specialized Cooling/Lubrication.
- ▶ HVAC Systems: Full range of Air Conditioning Systems and thermal management components.
- ▶ Electrical Systems: Power Supply, Starting, Signaling, Instrument & Warning Systems, and Auxiliary Electrical Units.

2. NEV & Intelligent Connected Vehicles Zone

- ▶ The "Three-Electric" Core: Advanced Battery, Motor, and Electronic Control systems.
- ▶ Infrastructure: Charging piles, equipment, and energy storage solutions.
- ▶ Intelligence: Smart cockpits, ADAS, and V2X (Vehicle-to-Everything) connectivity.

3. Maintenance & Wear Parts Zone

- ▶ Essentials: Filters, Brake Pads, Spark Plugs, Tires, and high-performance Oils/Lubricants.

4. Customization & Accessories Zone

- ▶ Styling & Performance: Exterior styling kits, performance upgrades, and premium interior accessories.
- ▶ Electronics: In-car infotainment and advanced automotive electronics.

5. China's Iconic Industrial Clusters Zone

A concentrated showcase of regional expertise:

- ▶ Yuhuan (Zhejiang): Chassis & Valve Components.
- ▶ Wenzhou (Zhejiang): Electrical & Precision Electronics.
- ▶ Taizhou (Zhejiang): Molds & Rubber-Plastic Components.
- ▶ Ruian (Zhejiang): Braking & Standard Parts.
- ▶ Shiyan (Hubei): Heavy-Duty & Commercial Vehicle Parts.
- ▶ Qinghe (Hebei): Filtration & Sealing Systems.
- ▶ Changzhou (Jiangsu): Lighting & Body Components.
